## Rules and Regulations of the RD60 in the summer

In high summer season, the circulation on the road RD60 is forbidden between 7 am and 7 pm. The traffic can be forbidden before 7 am if the car park under the Bouillouses dam is full.

### Parking is strictly forbidden in the following places:

- On each side of the RD.60 road
- In the natural areas (Lalonde Law 91/02)

Use of the private parking places is strictly reserved for those clients staying in the accommodation.

All vehicles using the RD 60 road between 7am and 7pm must drive behind the shuttle service.

Cyclists caution, shuttles circulate from 7 am till to 9 pm. For your security, stay behind a shuttle during the descent.

To welcome you better, two Parking areas:

- The Pla de Barrès car park
- Car park under the Bouillouses dam
