

## Liste des dossiers d'internés

Les 28 liasses (cotées 109W300-328) de la sous-série 109W contiennent des documents sur 4474 individus. Une liste nominative, par ordre alphabétique, a été établie afin de faciliter les recherches, plusieurs personnes pouvant être concernées par un même document.

La liste indique les noms (de naissance ou d'épouse) et prénoms des personnes internées, avec éventuellement les différentes graphies retrouvées, la cote du document et le renvoi éventuel à un dossier où le nom apparaît.

La composition de ces dossiers est variable : on peut y trouver des courriers personnels, du courrier administratif national et international, des fiches signalétiques d'identité, des demandes d'attestation de présence dans un camp de concentration des Pyrénées-Orientales, des demandes de recherches d'individu après 1944 émanant de l'Organisation internationale des réfugiés israélites, des demandes à la préfecture d'embauche de prisonniers ainsi que des contrats, des certificats d'appartenance à une compagnie de travailleurs étrangers, des conclusions de visites de la Commission Kundt, des demandes de regroupements familiaux inter-camps et hors camps.

Les dossiers ne contiennent pas de photographies.

Ces dossiers sont consultables en salle de lecture des Archives départementales sous forme de microfilms.

## List of the Internee Folders

The 28 bundles (index codes 109W300-328) of the 109W sub-series contain records on 4,474 individuals. A list of names, in alphabetical order, has been drawn up in order to facilitate searches, as several persons may be concerned by the same document.

The list indicates the surnames (by birth or by marriage) and forenames of the internees, with any possible spellings found, the document number and a possible reference to a folder where the name appears.

The composition of these folders varies: they may contain personal letters, national and international official correspondence, identity cards, requests for proof of time spent in a concentration camp in the Pyrénées-Orientales, requests for searches for individuals after 1944 from the International Organisation of Jewish Refugees, requests to the prefecture for the hiring of prisoners as well as contracts, certificates of membership of a company of foreign workers, conclusions of visits by the Kundt Commission, requests for inter-camp and out-of-camp family reunifications.

The folders do not contain photographs.

These folders can be consulted in the reading room of the departmental Archives on microfilms.

## Llista dels dossiers d'internats

Els 28 lligalls (amb signatura 109W300-328) de la subsèrie 109W contenen documents sobre 4474 persones. S'ha elaborat una llista nominativa, per ordre alfabètic, per a facilitar les recerques, atès que diverses persones poden estar incloses en un mateix document.

La llista indica els cognoms (de naixement o de matrimoni) i els noms de les persones internades i inclou, eventualment, les diferents grafies trobades, la signatura del document i la possible referència a un dossier on apareix el cognom.

La composició d'aquests dossiers és variable: es pot trobar correspondència personal, correus administratius nacionals i internacionals, fitxes d'identificació, sol·licituds de certificat d'assistència en un camp de concentració dels Pirineus Orientals, sol·licituds de recerca de persones després de 1944 per part de l'organització internacional de refugiats israelites, sol·licituds a la prefectura de contractació de presoners, així com contractes, certificats de pertinença a una companyia de treballadors estrangers, conclusions de visites de la Comissió Kundt, sol·licituds de reagrupament familiar entre camps i fora dels camps.

Els dossiers no contenen fotografies. Aquests dossiers es poden consultar a la sala de lectura de l'arxiu del departament sota forma de microfilms.

## Lista de los expedientes de internados

Los 28 legajos (con signatura 109W300-328) de la subserie 109W contienen documentos sobre 4474 personas. Se ha elaborado una lista nominativa, por orden alfabético, para facilitar las búsquedas, dado que varias personas pueden estar incluidas en un mismo documento.

La lista indica los apellidos (de nacimiento o de matrimonio) y nombres de las personas internadas incluyendo, eventualmente, las diferentes grafías encontradas, la signatura del documento y la posible referencia a un expediente donde aparece el apellido.

La composición de estos expedientes varía: se puede encontrar correspondencia personal, correos administrativos nacionales e internacionales, fichas de identificación, solicitudes de certificado de asistencia en un campo de concentración de los Pirineos Orientales, solicitudes de búsqueda de personas después de 1944 por parte de la organización internacional de refugiados israelita, solicitudes a la prefectura de contratación de prisioneros, así como contratos, certificados de pertenencia a una compañía de trabajadores extranjeros, conclusiones de visitas de la Comisión Kundt, solicitudes de reagrupamiento familiar entre campos y fuera de los campos.
